

The drawing consists of three main parts:

- Top Section:** A cross-section of a building. It shows a flat roof with a height of 10m above ground level. The building has a sloped section on the right side. The ground level is marked as 10m above ground level.
- Middle Section:** A site plan showing the building's location relative to a road and a railway. The building is located on a plot of land. The road is marked with a width of 10m. The railway is marked with a width of 10m. The building's footprint is shown with a width of 10m.
- Bottom Section:** A detailed site plan showing the building's footprint and surrounding infrastructure. The building is located on a plot of land. The road is marked with a width of 10m. The railway is marked with a width of 10m. The building's footprint is shown with a width of 10m.
